

Proposed Kiss & Drive

The area around our school becomes extremely hazardous especially during the peak afternoon pick up period. This causes concern for parents and can be very distressing for the students.

Your co-operation and patience when using the new Kiss and Drive system will provide your children with a safer, less traumatic environment.

The staff car park on Moorpark Avenue will be used as a Kiss and Drive facility between the following hours:

- 8:15am-8.35am and
- 2.20pm – 2.50pm

How the Kiss and Drive works:

- Enter the carpark via the northern entry (closest to the Admin building)
- Do not enter the Kiss and Drive before 2.20pm
- Move towards the pickup point – outside the first shed located in the carpark.
- Always be courteous to other road users.
- Children will wait outside the shed.
- This car park is used only for set down and pick up of students (and by staff).
- If your child is not ready don't stop – drive through the carpark to the exit and re-enter the carpark as demonstrated on the attached map.
- **No parking permitted in the bays.**
- Always indicate to enter and leave the Kiss & Drive.
- Ensure children entering the vehicle put on their seat restraint.

Morning:

- Stop in Kiss & Drive location.
- Students alight from left of vehicle.
- Parents/carers must remain in the vehicle.
- When students clear of vehicle indicate right and exit the car park.

Afternoon:

- **Only enter Kiss & Drive area if your children are ready to be picked up.**
- If children are not ready, drive around the carpark and rejoin the queue.

REMEMBER

40KM SCHOOL ZONE FROM 7.30AM – 9AM AND 2.30PM – 4PM

In the interests of children's safety, parents are not to use the Staff Car Park areas as a drop off or collection point or allow children to take short cuts through this area.
