

School Uniform Policy

RATIONALE

Yanchep Rise Primary School community are very proud of their uniform. We actively encourage the wearing of school uniforms, and strongly recommend that all items are clearly labelled and identifiable. Enrolment at our school is on the understanding that the school's uniform policy is adhered to. A uniform dress code reinforces in students a sense of pride in their own appearance, instils recognition of themselves as an integral part of the school community, and assists in developing pride in representing their school. Issues of equality, health and safety and expense, are also factors that contribute to the establishment of our uniform policy. The uniform policy ensures that the focus in our school remains of teaching and learning without distraction.

GUIDELINES:

Correct school uniform must be worn at all times by students, unless especially advised.

A note must be brought from home outlining the reason for being out of uniform and given to the class teacher. Teachers to follow up with a note to parent/caregiver and/or by informing Administration if students are repeatedly out of uniform.

AIMS:

- To promote equality amongst all students.
- To further develop a sense of pride in, and identification with our school.
- To provide durable clothing that is cost effective and practical for the school environment.
- To maintain and enhance the positive image of the school in the community.

IMPLEMENTATION:

After consultation with the staff, school community (Foundation Steering Committee and further ratified by the School Board), the school has developed a uniform policy that provides choice for the students, allows for students to safely engage in the many varied school activities, and caters for the financial constraints of families.
